LT. COL. MAURICE M. GROVE

THIRD ARMY CHAPLAIN WEARS PURPLE HEART

Lt. Col. Maurice M. Grove, 90th Division Chaplain, and a soldier in the Third U. S. Army in the European Theatre of War, will leave Cameron Friday to go back to his old pulpit in Brownsville.

It was from that border city Rev. Grove answered the call to duty that led him to soul-shaking experiences in battle. He came back with the Purple Heart and other decorations, including the Bronze Star. A Chaplain sometimes has to fight and so did Rev. Grove.

Colonel Grove rose rapidly in rank. He became Division Chaplain for the famous 90th Division which was a part of the Third Army. He went over in February 1944 and spent about three months in England. He took part in the invasion of France of June 7, 1944 going into the beaches of Normandy on D Day.

Colonel Grove took part in the five major campaigns that knocked out the German army. There was Northern France, Belgium, Normandy, the Rhineland, Battle of the Bulge and Germany. He was also in Luxembourg and wound up in Czechoslovakia. He wears the insignia of the Arrow Head. His entire overseas service being spent with the Third U. S. Army under the overall command of the late General George Patton.

In the second week of combat following the invasion Col. Grove was wounded at St. Mary-Eglise in Normandy. In the same battle he was awarded the Bronze Star for heroism. He remained with a front line aid station when the troops were over run by the Germans. There were one medical officer and two technicians and Col. Grove. They finally found themselves behind the German lines. Under cover of darkness they removed the wounded to their own lines.

During the time they were thus engaged their aid station was hit by German mortar fire and out of that experience each of the men who refused to leave their wounded comrades were wounded and all wear the Purple Heart.

Col. Grove is on terminal leave and will remain in the Reserve Corps of the army. He is former pastor of the Christian Church in Cameron.

Down in the valley city of Brownsville he was director of athletics in the big Youth program. Col. Grove is a member of the Lions Club and a prominent Mason in the Valley.

PHONE STRIKE SETTLED AS UNION DEMANDS MET

The nation's telephone strike was called off shortly after 7 a.m. Thursday when companies met Union demands for a wage increase.

In Cameron the employees of the local exchange had carried out their plans to join in the strike and all local calls were refused until the notice came that the strike had been settled.

Miss Ennis Turner, local Union representative, said that a number of operators were on duty to take care of all emergency calls.

Actually the local exchange was inoperative for only a few minutes. News of the ending of the strike did not reach this isolated community until sometime after business had been resumed in other parts of the country.

A. Marsh of the Marsh Dept. Store in Brenham transacted business in Cameron this week.

LEGION POST VOTES TO AID THE CENTENNIAL

Edwin Hardy Post No. 9, of the American Legion, will have a large share in the celebration of Cameron's Centennial on May 23, 24 and 25.

The post on Tuesday night made a donation of \$250 to the general fund now being raised for expenses of the Centennial celebration.

A share in the celebration plans include the men whose lives have spanned a quarter of the century to be celebrated. They are veterans of World War No. 1.

L. Van Perkins, named by Oxsheer Smith to be chairman of the Central Committee to direct the Centennial, presented the plea for funds to the Post and received the donation.

Emmett Streetman, 11th District Commander, announces that the local post will hold the annual Birthday Party on March 28, at the high school gymnasium.

Herman G. Nami, Department Commander of Texas will be here for the occasion and other prominent Legion members will be here for the celebration.

Tickets will go on sale this week. A barbecue will be served and the public is requested to buy tickets early so the Legion men will know how many will attend.

PUSHING TICKET SALES FOR C. OF C. BANQUET

Sale of tickets to the Chamber of Commerce banquet to be held in Cameron on the night of March 12 will be undertaken on a city-wide basis here tomorrow.

Committees from the Chamber will make a canvas of the town to place as many tickets as possible.

Tickets may be purchased at the following business houses: Bever's Cafe, Corner Cafe, Palace of Eats, Cameron Enterprise, Palace of Sweets, Caperton's, Cameron Herald, Gohmert's, New Cameron Drug Co., E. O. Schiller Pharmacy, Laake's Drug Store, Dusek Pharmacy.

In the event the committees do not contact you, these tickets will be available at the above places. It is important that the committee on arrangements know in advance the approximate attendance at the banquet.

Sgt. John H. Wilson With First National

Sgt. John Henry Wilson who served with the 8th Air Force in the European theatre of war and who flew 25 combat missions, has accepted a place as bookkeeper with the First National Bank, it has just been announced by Lester Williams, president of the bank.

Sgt. Wilson, following his discharge from the service, resumed his work with Lone Star Gas company here. He was hospitalized for injuries sustained in France. Many friends will be glad to know he is to be with First National.

BEASLEY IS CHAIRMAN OF COUNTY RED CROSS

O. B. Beasley was named chairman of the Milam County Chapter of the American Red Cross at the meeting here Monday.

Other officers for the Chapter were named as follows: Ray O'Neill, vice chairman; E. C. Cole, secretary and H. B. McClellan, treasurer.

Mr. Beasley succeeds J. M. Boehner as chairman. He has been prominent as a local civic worker for several years, is manager of Safeway Stores, a Director in the Chamber of Commerce and a member of the Lions Club.

The meeting here set quotas for the county in the coming Roll Call which will begin in March.

The quota in Cameron was set at \$2800.

Jim Wiley, north Texas representative of Grand Prize brewing company has been quite ill in Newton Memorial Hospital. Mr. Wiley was in Cameron on business and became ill. His condition was serious when he reported to the hospital. After a week of treatment he is ready to resume his work and will be discharged from the hospital Thursday or Friday.

Read the want ads each day.

Old Minute Book Is Found; Tells About Firemen Organizing

An old minute book has come to light and contains historical information. It is a book kept by the Cameron Volunteer Fire Department and tells of their organization meeting in 1900.

The book, an old general ledger of the First National Bank, shows entries in the daily transactions of the bank in the year of its organization, 1889. The late John M. Hefley was president and founder. Reverse sides of bank letter heads were used to make typewritten minutes of the meeting of the Firemen. A typewriter with green ink was handy.

As soon as space and time are available extracts from this book will be printed in The Herald.

T. C. Whites, former resident here, found the book in the personal effects of his brother who died several years ago. The book is now at The Herald.

The publisher has managed to collect quite a number of items of historic interest. Among them application for charter for the local Legion Post which was preserved for several years and turned over to the post here.

New Tax System is Demanded; Neglect Brings Ruin to Cities

Counties, cities, and school districts are heading squarely for trouble in making income balance outgo.

Sharply rising prices are forcing up costs of operating our counties, cities and school districts. The demands of public on their local governments are insatiable. A county or a city by its inherent nature is none too carefully managed as a usual thing.

There is a distressing amount of rehabilitation work on county, city and school districts which must be done. There are facilities which simply have outlived their usefulness and must be replaced.

Our East Texas county roads need and could well afford to have spent on them \$100,000,000 for rehabilitation and new construction in the next five years.

Drive over the average city street. It's in bad shape. Talk to the municipal engineer about his water and sewer systems. He'll tell you they need a lot of work. Look over the average schoolhouse. It can stand a lot of doing over.

Where's the money coming from? We've managed pretty well the last four years. Tax collections and other revenues under the stimulus of war held up surprisingly well. Much new construction and maintenance simply was left undone for want of labor and materials. So our local governments' finances looked pretty good.

But there are terrific demands for spending dammed up. Our present sources of revenue have done recently better than we can expect them to continue.

Your county, city, and school district have put their main reliance for local support on the ad valorem or property tax. It's not going to be adequate long. Property just can't continue to carry the load in supporting local government.

Figuring out the new taxes and their administration to support our local government is a big job ahead. It's going to take some statesmanship.

Grand Jury Returns 4 Bills Indictment

The grand jury for the January term adjourned here after a one-day session in which four bills of indictment were returned as follows:

Marlin Smith, assault to murder; Alonzo Colbert, Jr., assault with intent to murder; Lula Pendleton, aggravated assault, and Hubert Whiteley, 2 cases theft of automobile and personal property.

Members of the grand jury were: F. C. Stiles, Conoley, foreman; Hugh Martin, Burlington; Joe Moore, Gause; Frank McMillan, Jones Prairie; O. L. Smith, Buckholts; John B. Henderson, Cameron; Richard Ellison, Baileyville; George E. Brett, Rockdale; Norman Clement, Thordale; Nelson Davis, Sharp; J. A. Provasek, Yarrellton; E. A. Perrin, Cameron. C. M. Pierce of Liberty was door bailiff.

The March term of the court will open on Monday

DAM IS RECOMMENDED ON LEON AT BELTON

A dam on the Leon river at Belton to cost \$11,733,000 has been recommended by the United States Army engineers.

Under a memorandum dated February 27 a copy of which was mailed to the Chamber of Commerce and handed in by L. Van Perkins, the big dam is approved.

The dam is a part of the Brazos river flood control program and is vital to the reclamation of lands along Little river in Milam county.

RICE SCHOOL HOUSE IS OVER FOR RED CROSS

Rice School House community is the first to exceed the current quota in the Red Cross fund drive, it was disclosed early Wednesday by F. G. Blake, director for Milam county.

John McLerran is chairman for the Red Cross drive in the Rice Community and reported that the community had subscribed \$60.15 which is more than the assigned quota.

Cameron was 54 per cent of quota here Tuesday and collections were being reported rapidly. There was every indication that the current drive for Red Cross funds will be over before the Centennial canvas is begun.

McLennan Judge is ROTARY SPEAKER HERE

Judge D. Y. McDaniel, county judge of McLennan county, was guest speaker at the Rotary Club on Wednesday.

Judge McDaniel was an early advocate of the county unit system which also has been advocated for years by the East Texas Chamber of Commerce.

In McLennan county the county unit system has worked to great advantage, especially in the construction of roads. The county as a whole is served as a unit and there are no precinct lines. This system has also operated with success in nearly all the major phases of the county's business.

The meeting space was inadequate Wednesday as a large number of guests were present, including members of the Milam county court led by Jeff T. Kemp.

A number of candidates for commissioner were present.

JOE FOSTER BURIED IN CALVERT WEDNESDAY

Joe Foster, widely known citizen and farmer in the Branchville community, died Tuesday in Calvert.

Mr. Foster was born and reared in the Branchville country and was a large plantation owner and operator. He had been in declining health for a number of years and recently had been making his home in Calvert.

Funeral services were held Wednesday and interment was made in the Calvert Cemetery. Among the survivors are his widow who was formerly Miss Gertrude Freeman of Maysfield.

PROGRAM ANNOUNCED FOR C OF C BANQUET

The program for the Chamber of Commerce banquet to be held in Cameron on March 12 at 7:45 p. m. has been announced by E. C. Cole, chairman as follows:

Invocation by Rev. K. R. Isbell at 7:45 Music by Francis Cox and orchestra. A. W. McCullin, retiring president, will be master of ceremonies; introduction of guests; solo Mrs. W. G. Harsha; presentation of new directors, L. Van Perkins; remarks by retiring President and introduction of incoming president.

The new president, Narvie Caperton, will make a short address and will present the guest speaker, R. W. Calvert of Hillsboro.

Mrs. L. C. Pevehouse of Cameron, mother of Mrs. Gené Smith has returned to her home in this city from Newton Memorial Hospital much improved.

21 Years Nursing

FRANCES ERMIS MICHNA

CONGRATULATIONS FOR FRANCES ERMIS MICHNA

February 1946 will be memorable in the life of Frances Ermis Michna, Dean of the Nurse Corps at Newton Memorial Hospital, for it was 21 years ago this month that she began her career as a Nurse and today is receiving congratulations from hundreds who appreciate her contribution to the success of the hospital.

Ermis, called "Doctor Ermis" by hundreds of former patients who appreciate the efficiency with which she cares for the hospitalized, has been night superintendent at Newton Memorial hospital since July 1, 1942. She helped to plan the nursing service from the beginning of the hospital.

Frances Ermis Michna was born at Buckholts where she attended the public schools. She is the daughter of Frank Ermis who makes his home here. She is the wife of John Michna and the mother of Phillip Michna, their only child and pride and joy of their home.

She graduated from Provident Hospital in Waco in 1928 and did private duty for three years in Waco and then went to St. Francis in Brenham. From Brenham she went to Home of the Holy Infancy in Austin, (turn to page six)

CAMERON LUMBER MEN TALK BUILDING FACTS

Cameron lumber and materials dealers, in a frank statement published in The Herald in a page size advertisement, talk facts about the prospects for home building in 1946.

According to these dealers there is little chance to set in motion a building program until the government removes restrictions under OPA regulations.

The statement is signed by Wm. P. Carey Lumber Company, Woodson Lumber & Hardware Co., and the John F. Grant Lumber Company.

"Governed by OPA's war time pricing formulas, it is still more profitable for lumber mills to make items formerly required for war use, than it is to make lumber usable in home construction," reads the statement.

The problem is a simple one, that of production. As long as no building materials are produced there can be no building.

The local dealers are trying to tell the people why they cannot have materials. It is a statement all should read.

"The OPA can hardly hold present price ceilings down when it has no control over volume of installment, labor, wage rates, cashing of government bonds, and installment or credit expansion, but OPA can act as a block to reconversion by clinging to unrealistic war-time price ceilings."

Churches Will Hold World Prayer Day Services on Friday

Cameron churches will participate in the "World Day of Prayer," program Friday, March 8, 1945, with a program at First Christian Church at 3:30 p. m.

Rev. Roy Holt, pastor of the Christian church here, will be leader for the afternoon and all churches in Cameron will have a representative on the program.

Read the want ads each day.

CROP INSURANCE SURE WAY TO BEAT DISASTER

It is instinctive for a farmer to do everything he can to get a crop every year. He plows and prepares his land carefully. He tests and treats the best seed he can buy. He plants, cultivates, and harvests in a way to get the biggest possible yields. He stores and markets his crops with an eye to avoiding losses . . . but there is nothing he can do about the perils of weather — except to invest in Cotton Crop Insurance.

The success of farmers depends upon the weather

Every year farmers in some part of the country are robbed by the weather of harvests in which they have invested planning, money, and lots of hard work.

Every year some farmers, good and poor alike, lose crops because of droughts, floods, storms, frost, wild-life, snow, excessive rainfall, hail, lightning, fire, wind, winterkill, plant disease and insects.

Whole communities are sometimes affected. Food becomes more expensive in the cities. For agriculture is the life-blood of the Nation. Why not see your local AAA representative and get your share of protection?

JESTUS ALFORD ENTERS RACE FOR COMMISSIONER

Jestus Alford, well known cattleman and farmer of this section, announces this week that he is a candidate for the office of Commissioner of Precinct No. 3 (Rockdale), subject to the action of the Democratic Primary on July 27.

Known familiarly as "Jess," Alford has a wide acquaintanceship not only in Precinct 3 but throughout this section of the county. He states that he has lived in the rural areas around here practically all of his life and knows first hand the needs and wants of the people in Precinct 3, and is anxious to serve them as commissioner.

Alford says in making his announcement, he does not intend to make any promises that he cannot keep if elected, and pledges to give the people of his precinct the very best road service and the best representation on the commissioners court. Regarding the roads he has some definite ideas.

"I believe," he says "that every section of the precinct is entitled to receive the same treatment, and the best efforts of the commissioner, and if elected I intend to do just that." He also realizes that the school bus (turn to page six)

GAUSE MAN CHARGED IN ATTEMPTED ROBBERY

Oscar Perkins of Gause is in the Milam county jail charged with attempted robbery by assault on Mrs. E. M. Ely of Gause.

According to Sheriff Carl Black, the man, who formerly lived at Jewett in Leon county, came home with Mr. Ely and while Mr. Ely was asleep, attempted to rob Mrs. Ely. The man tried to make her disclose the hiding place of money he believed to be around the home.

Mrs. Ely is 72 years old and suffered shock from the treatment. Perkins is said to have knocked her down. Perkins is in jail in default of \$2,000 bond.

RED CROSS DRIVE IS WELL UP IN CAMERON

Cameron was well up on its Red Cross quota in the current campaign it was disclosed Tuesday by F. G. Blake, finance director for the county.

Mr. Blake disclosed that 54 per cent of the city's quota had been deposited in banks here. This optimistic report encouraged the plan to have the Red Cross drive out of the way before the Centennial fund solicitation begins.

Reports from over the county indicate the committees are at work. The people of Cameron are urged to make their contributions early and to end the campaign quickly.

Telephone your news to 282.

NEGRO CHARGED WITH ARSON, HELD IN JAIL

Robert Moore, a Cameron negro, was in jail here Saturday charged with arson.

According to Sheriff Carl Black, the negro had tried to burn down the home of his mother-in-law on West 15th street.

Sheriff Black said that evidence in the case shows that Moore and his wife had parted and he had taken her to the home of her mother and later he had set the house on fire.

Arson is a serious offense under the law and this is one of few such cases ever known here.

P. T. A. Meeting Wednesday Afternoon

The Parent Teacher's Association will meet at 2:30 p. m. Wednesday March 6th, at Yoe High School.

The pupils of Ada Henderson will give the program, under the direction of their teachers, Mrs. Leona G. White and Mrs. Charlie Nabours.

Mrs. J. E. Johnson is chairman of the program, and Mrs. J. W. Spafford, president will preside over the business session.

Certain bacteria multiply at such a terrific rate that if not destroyed by natural enemies, they would dominate the entire earth in less than a year's time.

...and also for Development

Another reason doctors are prescribing infant feeding formulas based on Daricraft homogenized evaporated milk is its "sunshine" Vitamin D content.

Vitamin D is added under A.R.P.I. process... controlled to assure uniform, high vitamin potency of the activated Ergosterol concentrate used to fortify Daricraft with added Vitamin D.

Daricraft is also a rich source of Vitamins A and B... so essential to baby's proper development, and to older children and adults.

The fresh whole milk from which Daricraft evaporated milk is processed is from select, inspected cows pastured on mineral-rich Ozark meadows. Daricraft is uniform in quality, with not less than 7.5% butterfat and 25.9% of total milk solids.

Accepted by the Council on Foods and Nutrition of the American Medical Association, your grocer can supply you.

MILAM 4-H CLUB GIRLS OBSERVE NATIONAL WEEK

Milam county 4-H club girls started National 4-H Club Week off with a party in the American Legion building on Saturday night. There were thirty-eight present at the party. After several songs, the girls enjoyed some contest games.

Mrs. Hall Massey gave the following message to 4-H girls:

The 4-H record of wholesome accomplishments has been outstanding and represents the positive aspects of our Nations future. One of the greatest thrills of a leader, is watching Club members, "blossoming" into the type of young people which 4-H seeks to develop.

Only great people make a great nation, great in being equipped to farm our land properly, strengthen our homes, living and sharing with others.

There is a negative side to the picture. One which represents law enforcement. The crime wave sweeping in the county, committed by boys and girls under 21 years of age, leaves a scar on the home front far more serious than those brought about from the impact of war.

Facts must be faced realistically. All plans for the future depend on wisdom, leadership and understanding by the people, and before there is time for many improvements, the great people of tomorrow will be the youth of today.

To prepare youth for their place in a more perfect America is the job of education.

The 4-H program proudly takes its place with others in helping to carry out the responsibility that education must assume.

To serve rural America is the double responsibility of 4-H work.

The Ten National Guide Posts for 4-H Club Programs are as follows:

1. Developing talent for greater usefulness.
2. Joining with friends for work, fun and fellowship.
3. Learning to live in a changing world.
4. Choosing a way to earn a living.
5. Producing food and fiber for home and market.
6. Creating better homes for better living.
7. Conserving Nature's resources for security and happiness.
8. Building health for a strong America.
9. Sharing responsibilities for community improvements.
10. Serving as citizens in maintaining World Peace.

We have learned through costly bitter experience that "Peace is not a freely given gift of God."

The goal is a better understanding between men and nations. We now realize we are, "Our Brothers Keepers." That Peace is every man's business. It is made up of such things as; development of men's talents, education, tolerance and fellowship.

Yes, Young America, as typified by 4-H has passed a crucial test with flying colors.

We older people know that we owe youth a great debt. And that we are passing on to them a great responsibility.

But I hope youth will realize that "Also" they are receiving a most promising opportunity to build a more abundant and more peaceful World.

For completing all their club goals, the following girls were presented with certificates of Honor. They were Doris Nell Jungmann, Gloria Ann Jungmann and Elba Jean Colburn of the Yarrington club, Esther and Edna Lee Peed of the Hoyte club, Correne Massey, Alice Marie Coker, Mary Earl Sproull and Joy Henderson of the Ben Arnold club. These certificates were presented by Judge Jeff Kemp. Judge Kemp also brought along some dahlia for each girls present.

Elba Jean Colburn, 1945 Gold Star Girl was awarded the Gold Star Pin.

Refreshments of ice cream and cookies were served to the group.

American Legion Meeting Tonight

Edwin Hardy Post No. 9, American Legion will meet tonight at 7:30, Legion Hut, Ledbetter Park.

Plans for the Legion's participation in the Cameron Centennial to be held May 23rd, 24th, and 25th. A big place in the 100th birthday celebration of Cameron has been assigned to the Legion. Full plans will be developed tonight and every service man and Legionnaire is urged to be present. All veterans are welcome.

The earth is not round, but spheroid, its shape that of a ball slightly flattened at the poles.

H. B. Zedlitz of Buckholts transacted business in Cameron recently.

GI Schools Get OK From State Education Department at Austin

Austin has approved the vocational schools for returned war veterans in Milam county, one at Rockdale and one in Cameron.

The school at Rockdale has been organized for some time and classes were under way this week. The school at Cameron is no further advanced than it was weeks ago.

To operate a school an instructor must be employed and returned service men recruited. The government will pay \$25 per month for each student in this type of school.

The Milam County Board of Education will have jurisdiction over

these schools. It was said the Cameron school will be open as soon as the program has been worked out.

City interests must become sponsors for the program here if the school is to open in Cameron.

Rev. Ed Bagless to Speak at Maysfield

Rev. Ed Bagless, Chaplain at Austin College at Sherman, Texas, will be guest speaker at First Presbyterian Church at Maysfield Sunday, March 10th.

At the morning hour Rev. Bagless will speak on the "Work of the Chaplain." At seven in the evening he will speak on "Christian Education." The public is cordially invited to attend.

"PERCE STRINGS" - by CULPEPPERS

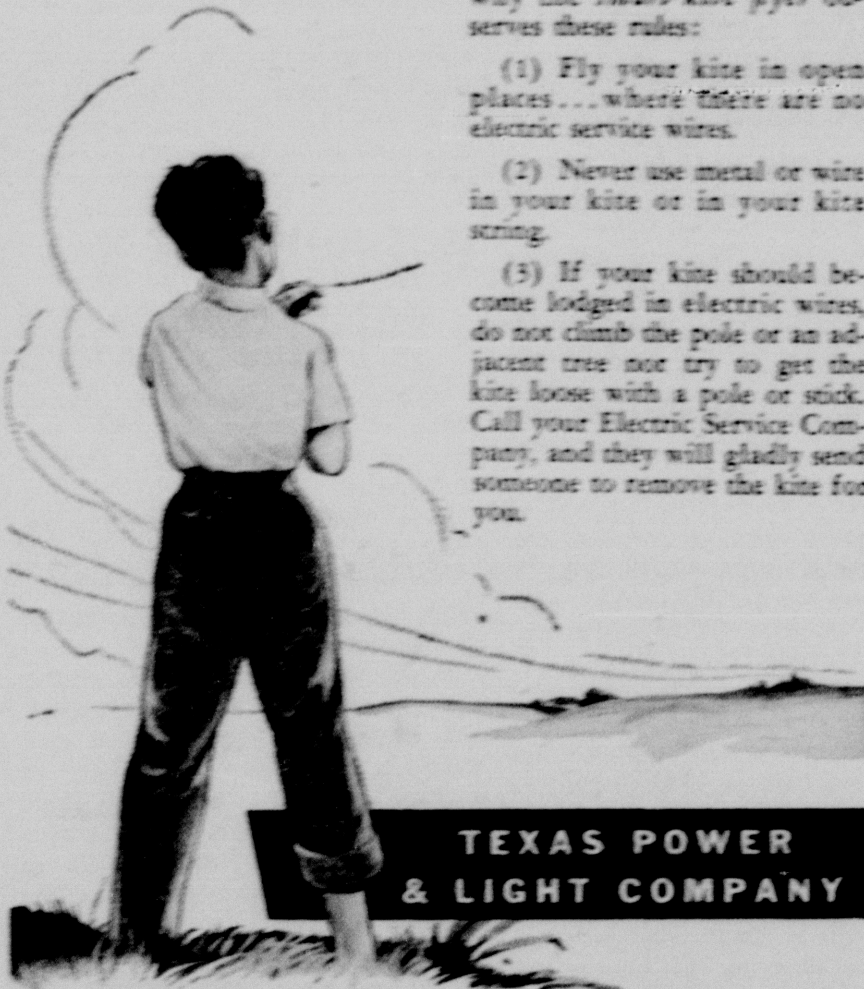

The SMART kite FLYER flies 'em in the open!

Springtime is kite flying time... and kite flying is lots of fun, especially for those who know and observe the rules of safety, because their kite flying is not likely to result in a mishap. That's why the *smart kite flyer* observes these rules:

(1) Fly your kite in open places... where there are no electric service wires.

(2) Never use metal or wire in your kite or in your kite string.

(3) If your kite should become lodged in electric wires, do not climb the pole or an adjacent tree nor try to get the kite loose with a pole or stick. Call your Electric Service Company, and they will gladly send someone to remove the kite for you.

TEXAS POWER & LIGHT COMPANY

Last Dance Before Easter Tonight at The National Hall

The last dance before Easter is to be given at National Hall tonight, it was announced by Joe Kotzola, manager.

A splendid program of dance music has been arranged for the entertainment and the public is invited to attend.

There will be no more dances at National Hall until after the Easter Holidays.

...time out for the friendly pause

"Snacks at our house" always rings the bell. No matter what the hour—if there's a bit of home cooking in the cupboard—and Coca-Cola in the icebox—the gang can look forward to a treat. Have a Coke is a perfect way to climax a happy occasion and say, This has certainly been a date to remember.

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY

COCA-COLA BOTTLING CO., Cameron, Texas

THE TRUTH ABOUT HOME BUILDING in 1946

It's Time Veterans and all Citizens were told the Truth about the Home Building situation.

The main bottleneck to home construction is production of materials and equipment.

No legislation, Presidential announcement, government control plan, or system can produce a single additional home until production of materials is speeded up.

Lumber dealers and the Building Industry are eager to build homes for veterans and all citizens who need them. The reason few homes are being built is because materials are not being produced.

WHY?

1. Governed by OPA's war-time pricing formulas, it is still more profitable for lumber mills to make items formerly required for war use, than it is to make lumber usable in Home Construction.
2. OPA's enforcement policies have allowed the creation of a large black market in lumber which is moving outside of regular channels of trade.

3. OPA's slowness in adjusting mill ceiling prices on hardwood flooring, siding, millwork and plywood has contributed to the difficulties mills are having in securing necessary manpower.

With 400 brick and tile plants closed, it took 6 months for OPA to adjust prices. Now an additional 125 plants have opened and production is up 35%.

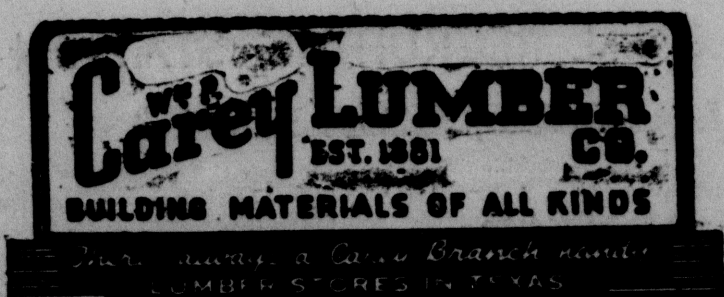

Clay sewer pipe, cast iron soil pipe and Gypsum board manufacturers have experienced a similar OPA delay in the granting of price adjustments to make increased production possible.

No amount of juggling with an insufficient supply will produce a single home more than can be built with material available.

The OPA can hardly hold present price ceilings when it has no control over volume of employment, labor wage rates, cashing of government bonds, and installment or credit expansion—BUT THE OPA CAN ACT AS A BLOCK TO RECONVERSION BY CLINGING TO UNREALISTIC WARTIME PRICE CEILINGS.

Unblock the production of materials caused by unrealistic wartime price controls and the building industry will build enough homes for veterans and all Americans!

Any Government program that does not FIRST remove the obstacles blocking production of materials will simply add additional difficulties to the problem facing the building industry.

PROGRAM TO PRESENT 100 YEARS OF HISTORY

Cameron's Centennial celebration dates will be May 23, 24, and 25, it was announced late Thursday at a meeting of the central committee now arranging the details of the program.

The committee is meeting again Friday afternoon and a full meeting of the entire committee will be held Monday night, March 4 to receive and approve the final draft of the program.

The program is in tentative form but is certain to include many events of historic interest.

On the opening day the parade, central feature and what might be termed the crux of the entire picture, will be held and will include hundreds of entries, from the ox wagon to the shiny new cars of 1946.

An invitation was going out Friday to three leading Texans, each to have a part on the program. Governor Coke Stevenson will review the parade and speak in the forenoon of the opening day, May 23.

Senator Tom Connally of Marlin will speak on Saturday, May 25 and Pat M. Neff, President of Baylor University will be asked to speak to the crowds coming for the Home Coming, Reunions and Pioneer Day on Friday or Saturday, the exact date to be fixed for this event of the celebration.

The University of Texas has offered its services in arranging the cavalcade of history. This event will take place on the athletic field and will be a colorful presentation of the 109 years of history in which Cameron has played a part.

Radio time has been offered to advertise the celebration and a committee on publicity will be set up.

To solve the exhibit problem, merchants may be asked to give their show windows for the three days. Cameron does not have a municipal building, auditorium or any suitable housing for exhibits.

Facilities at the school, especially the gymnasium, will be available and these buildings will be used.

Central Texas Firemen will be here on Friday the 24th and at night a dance will be given in their honor. Dances will likely be a nightly feature.

The Rodeo will be one of the best ever staged in Central Texas, if plans work out. The rodeo is always a reliable typification of pioneer days.

To finance the program a preliminary estimate of \$5000 has been made. More may be required. Nothing can or will be done on this major program until the finances have been raised and a committee has been named.

J. O. Stewart of Milano transacted business in Cameron Saturday.

Mrs. Z. B. Griffin of Buckholts was a visitor in Cameron last week.

Sharp Well 50 Barrel Producer, Hohenstein Says After Testing

Byrd No. 2 drilled by Wilson and associates at Sharp is a 50-barrel pumper, said Sam Hohenstein, veteran scout and geologist, Tuesday after the well had been placed on pump.

On Monday the well made 102 barrels in 20 hours but this was from a head built up prior to the Railroad Commission test. It was fairly certain that the well would be the best producer of many in that section of the county.

Hohenstein, who brought in the discovery well on Cat Tail Creek in the Minerva field in 1920, said the well at Sharp is in the Austin chalk and is a little over 1100 feet. It brings in a new field, he said.

The McQuary No. 1 at Cross Roads on the Brazos looks like a good producer, said Hohenstein. There was no accurate information but reports were that the well had proved up a fault line in Milam county south of the Brazos. Oil has been produced in Robertson county north of the Brazos in that vicinity. The McQuary was reported to have made 150 barrels.

March 12 Is Date For Chamber of Commerce Banquet In Cameron

Tuesday, March 12 is the date officially set for the annual Chamber of Commerce banquet in Cameron.

Bob Calvert, political leader and reputed candidate for governor, will deliver the address. Mr. Calvert lives in Hillsboro.

The Directors of the Chamber of Commerce in a meeting Tuesday night set the date, and the hour will be 7:45 p.m. at the gymnasium at the Yoe High school.

At the banquet officers for the new year will be introduced. The officers were elected at the meeting on Tuesday night.

MARCH 25 LAST DAY FOR CROP INSURANCE

Applications for Federal Cotton Crop Insurance must be signed before the crop is planted, W. A. Atkinson, Chairman of the Milam County ACA Committee, pointed out today.

In Milam county the deadline for obtaining insurance on the 1946 crop is March 25, 1946, the ACA official explained, but he emphasized that the applications must be made before the crop is seeded.

The insurance covers all unavoidable risks, he continued, such as hail, drought, floods, excessive rains, insects, diseases, wind, frost, snow, wild life, hurricane, and tornadoes, but it does not protect against avoidable losses such as negligence, damage to quality, or failure to prepare land, plant or cultivate according to good practices.

"The agents are attempting to contact every cotton grower in the county, Mr. Atkinson pointed out, "but it is possible some may be missed. The insurance is available to all producers and those who are not reached by the agents should come to the County Office to sign up."

FOR SALE—112 acre sandy land farm, house and good water supply. A good value at \$2000.00. Green & Boedeker. (44-1tc)

Wedding Anniversary Observed

Mr. and Mrs. M. M. Johnson observed their 57th wedding anniversary in Cameron Thursday. They were married in Belton 57 years ago, both being natives of Bell county. Mr. Johnson is a pioneer jeweler in Cameron. They observed their anni-

versary quietly at home receiving congratulations from their friends.

STEVE MARAK FUNERAL IS HELD WEDNESDAY

Steve Marak, Sr., 93, died at 9:30 a.m., Tuesday, February 26, 1946 at his home at 1007 North Central avenue in Cameron.

Mr. Marak had been in declining health for more than a year and became seriously ill only a few days prior to his death. He had been a resident of Cameron for the past 23 years, but prior to that had been a resident of the Marak community.

Mr. Marak was born in Czechoslovakia on December 26, 1852. He

came to this country when he was four years old. He was married at Dudina in Fayette county, Texas on February 3, 1880 to Barbara Bohoc.

Mr. and Mrs. Steve Marak were married 66 years and 23 days. He came to Milam county over 60 years ago with his two brothers, George Marak and Thomas Marak. They settled in the community now known as Marak and gave it the name. Mr. Marak, a large land owner, was a farmer and was one of the early settlers who helped to develop this section as one of the best farming regions in central Texas.

Funeral services were held February 27, 1946 at 9 a.m. at SS. Cyril and Methodius Church at Marak with interment in the Catholic cemetery at Marak. The Marak-Burns Funeral Home directed arrangements.

Surviving are his widow, Mrs. Barbara Marak, and the following children: Mrs. Francis Kohutek of Temple; Mrs. Sophia Janicek of Clarkson; Mrs. Albina Hrozek of Cameron; Mrs. Angeline Valenta, Temple; Mrs. Matilda Wokaty, Corpus Christi; Mrs. Attillie Stecher, Cameron; Mrs. Caroline Gurecky, Cameron; Miss Bessie Marak, Cameron; Mrs. Marcella Bennys, Corpus Christi.

Three brothers survive: Thomas Marak of Marak; Henry Marak and Frank Marak of West, and one sister, Mrs. Maggie Sliva of East Benard.

There are 24 surviving grand children and 13 great grandchildren.

Pallbearers were grandsons: Ladis Hrozek, Houston; Erwin and Steve Hrozek, Cameron; Edwin and LeRoy Stecher, Cameron; Alick Lazek, Cameron; Lawrence Janicek, Clarkson; Victor Sustek, Bryan.

Rev. Ben Hokub of Marak and Rev. George Duda of Cameron, officiated.

RESOLUTION AND ORDER OF ELECTION

WHEREAS, the Ordinances of the City of Cameron, Texas require the holding of a regular annual election of officers for the said City of Cameron, Texas, for the years beginning in April, A. D., 1946:

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS:

THAT a general election be held in the said City of Cameron on the second day of April, A. D., 1946, the same being the first Tuesday in said month, for the purpose of electing the following officers, to-wit:

Mayor of the City of Cameron. Secretary & Treasurer of the City of Cameron.

Assessor and Collector of Taxes of the City of Cameron.

City Attorney for the City of Cameron.

Marshal of the City of Cameron.

Two Aldermen of the City of Cameron, to succeed Aldermen Roy Griffith and E. O. Schiller, whose terms of office expire on said date;

each for the two-year term ending on the first Tuesday of April, 1948; and it is hereby so ordered.

SAID ELECTION shall be held at the City Hall (the old Cameron State Bank Building) in the City of Cameron, on said 2nd day of April, 1946, and the following named and designated persons are hereby appointed managers of said election, and for all other elections which may be held in said City of Cameron during the year 1946:

D. H. Slaughter, Presiding Judge, and such other assistants and clerks as shall be appointed by said D. H. Slaughter to assist in holding said election, or elections, in accordance with the laws governing in such cases. The manner of holding said election shall be governed by the laws of the State of Texas regulating general elections.

A COPY OF THIS RESOLUTION AND ORDER, signed by the Mayor of said City of Cameron, shall serve as a proper notice of said election; and the Mayor is hereby directed to cause notice of said election to be posted at the place designated for holding said election and to be printed in the Official Organ of the City of Cameron, or other newspaper printed in said City, for at least thirty days prior to the date of said election.

Offered by Alderman Bob Terry. PASSED by unanimous vote at a regular meeting of the City Council of the City of Cameron, Texas, on Tuesday, the 5th day of February, A. D., 1946, the same being the first Tuesday in said month;

AND APPROVED February 5th, A. D., 1946, by

CHAS. C. SMITH, Mayor of the City of Cameron, Texas.

ATTEST: DAN TYSON, Secretary and Treasurer, City of Cameron, Texas.

Mrs. Hubert McClaren of Marlow shopped in Cameron Tuesday.

MACK OIL COMPANY IS EXPANDING BUILDING

An important building development in Cameron's oil business was announced here Thursday by A. W. McCullin, owner of Mack's Oil Company.

Mr. McCullin said his new building will be 24 feet wide and 72 feet long and will be constructed of white Codava stone mined from the Texas Rock quarry, 16 miles from Georgetown. This material has been extensively used on similar buildings and finer types of residences and is very attractive. Work was begun at once.

Mack's Oil Company, a growing concern, is now operating in a number of Texas counties with the sale of products made in Cameron. The new building will be erected on the site of the present station at the underpass of the Santa Fe on Highway 77. The present building will be moved and made into a ladies lounge.

The new building will give Mr. McCullin, who has just been nominated for Mayor of Cameron, a super service station and offices for his wholesale fuel building will be located in the building. Mr. McCullin now has employees, 3 of whom are ex-service men.

Old Plaque Recalls Athlete Joe Mikulec; Was Native of Croatia

Early this week John Muse found an old souvenir plaque in the Terral addition where he had recently purchased some lots and has planned a home building project.

The plaque, made of cheap metal, may have been one of many which he owner sold or was issued to commemorate his ability as an athlete. The plaque is in the shape of a memorial coin and is the size of a silver dollar.

On one side is a bust of Joe Mikulec and around the edge of the plaque are these words: Souvenir from Joseph Mikulec, Champion Walker of Croatia. On the other side are these words: Joe was born January 15, 1878 in Croatia, Austria, Hungarian, Monarchy. Walked in many countries in Europe, Africa and South America and in every capital in the U.S.A. A distance of 25,000 miles. Will write a book.

MICHNA

(continued from page one)

where she worked three years and then to St. Vincent Hospital in Sherman. She remained there until the later part of December 1935 and came home to Cameron to nurse her mother who died on January 2, 1936. Since that time she has lived in Cameron. She was night supervisor at Cameron Hospital from September 1, 1939 to July 1, 1942 when she went to Newton Memorial Hospital.

Ermis has had complete charge of surgery for two years and is trained to handle any and all positions at the hospital. At present there are four graduate nurses at the hospital and eight undergraduate nurses, besides the nurses and orderlies in the negro section of the hospital.

On the eve of her 21st anniversary as a Nurse, one of the noblest professions on earth, Ermis looks back with great pride in her accomplishments.

What to her is a heart warming reflection today is the praise that is coming in from the many who appreciate her work. Her reassuring presence at night along the wings of the hospital has inspired many a patient to take heart and the care they get from Ermis and her night corps just about makes her a grand legend of her noble profession.

Newton Memorial Hospital, when founded, had 13 rooms. It now has 47 and ground was broken this week for another 16-unit addition.

Being night superintendent of a hospital is a very responsible position and not infrequently a trying one, especially during the war years. She is rightly proud of the confidence the doctors have in her ability and training.

"Of all the places I have worked," said Ermis, "I have enjoyed Newton Memorial the most. I like it because of its convenience and arrangement, all rooms on one floor. Mrs. Newton and I were the first nurses here and we organized the staff of nurses as we wanted it and also laid out the plan of services as we wanted it. Patients do not feel they are in a hospital but at home. We feel we have eliminated all harshness. We wanted it that way and I think of all the nice things that so many have been so kind to say about me, I like best to have the word of the patients who say they like Newton Memorial because of its atmosphere.

"We have had 2280 patients since the hospital opened. The first patient was Stanley Tomek who came in on September 4, 1942 and was operated

on the following day. The first baby born was a girl, and daughter of Mr. and Mrs. Frank Kolodejak. The last baby was born on February 26, 1946. He is named Dennis Ray, and the son of Mr. and Mrs. B. A. Cryer of Buckholts.

"We have had every type of patient, every type of surgery and the patient has the choice of any doctor they want. The hospital is open to all doctors alike and is operated on a non-profit basis, all earnings going into expansion and equipment for better care of patients."

ALFORD

(continued from page one)

routes are of prime importance, and with everything else being equal these roads are entitled to and deserve first consideration for the lives of the school children, and their education, depend on the ability of the commissioner to keep the roads over which they must travel in good condition.

Alford says also that his endeavor always will be to make repairs of permanent nature wherever and whenever possible for he believes this is a saving to the taxpayers he represents.

It will be his further endeavor to work cooperatively with the other members of the commissioners court, at the same time giving full representation at court meetings to his precinct and doing his best to see that Precinct 3 gets its full share of moneys and benefits that may become available during his tenure in office.

Summing up his candidacy, Alford pledges the people of Precinct 3 his best service and says he will give the office his full time and attention, serving the people of the entire precinct without favor and doing his best to keep all roads in good repair. He hopes to make an active campaign and see as many voters as possible between now and election date and asks that every voter take this message as his personal plea and assurance of his thanks for their vote and support.

Mrs. George T. Moore of Houston is visiting in Cameron for several days. Mrs. Moore is the former Arnett Ryan.

Mr. and Mrs. Albert Braden of Gause visited in Cameron on Wednesday.

Mr. and Mrs. C. H. Pollard have announced the arrival of a son born March 1, 1946 at Cameron Hospital. He weighed 10 pounds and 12 ounces, and has been named Randall Kent. They have another son, Charles Hardin Pollard, Jr., who is three years old. Mrs. Pollard is the former Helen Ryan.

Miss Mary Josephine Stedman received her B. S. degree in Home Economics at Texas University last week. The university conferred 526 degrees at this time, ending the winter semester of 1945-46.

From where I sit ... by Joe Marsh

Jess Turner's labor troubles

For four years Jess Turner ran his harness shop alone. But now his nephew's discharged from the Navy and is back to help him.

Right away, it seems that nephew Delbert has some new ideas. He wants more money, shorter hours—and meanwhile Jess' expenses have been going up!

So what does Jess do? He invites Delbert to sit down over a friendly glass of beer and talk the situation over. Jess figures how he can give Delbert some extra dollars, and

certain interests in the business; and Delbert figures how he can speed up production on harnesses—and do some saddle work, besides. And they seal the bargain with another friendly glass of beer.

Of course, all labor troubles aren't so simple. But from where I sit, if there could be more friendly discussion—more give and take—more tolerance and understanding—both sides would be a heap better off.

Joe Marsh

GEORGE M. BERRY

BRYAN OFFICER SLAIN BY BERLIN SOVIETS

BERLIN—Lt. James Wilson, 21, Bryan, Texas, was killed by a Russian sentry early Sunday morning while jeeping with soldier companions past a guarded building in the Russian sector, authorities disclosed today.

The Russian sentry said Wilson's jeep failed to halt upon warning shots in the air then aimed a volley at the lower part of the jeep. Authorities said one bullet struck Wilson in the head killing him instantly.

Miss Cecelia Krupar Honored At Tea

Mrs. J. J. Parma entertained at her home with a tea Sunday afternoon from 3:30 until 5:00, honoring Miss Cecelia Krupar of Great Falls, Montana, bride-elect of Jos. L. Kristoff of Deannville, Texas, who is a nephew of Mrs. Parma.

The reception rooms were beautifully decorated with pink and white carnations and narcissus. The dining table was laid with a lace cover, with candles softly burning at each end of the table. A centerpiece of pink and white carnations was used.

In the receiving line were the hostess, Mrs. Parma, the honoree, Miss Cecelia Krupar, Mrs. Joe Kristoff, Sr., mother of the groom, and Mrs. Ed. D. Kristoff, sister-in-law to the groom.

Presiding at the table were Mrs. Leo Laake cutting the cake, and Mrs. J. L. Marak, pouring coffee. Miss Billie Marak had charge of the bride's book.

Others assisting the hostess were: Mrs. J. T. Parma, Mrs. F. A. Somer, and Mrs. D. J. Kubecka.

The bride received many useful and beautiful gifts, and was assisted by little Janice Lou Kristoff, niece of the groom with unwrapping her gifts.

Cecelia Krupar and Jos. D. Kristoff Wed

The marriage of Miss Cecelia Krupar of Great Falls, Montana, to Jos. L. Kristoff of Deannville, Texas, was solemnized at St. Monica Church at 8:00 a.m. Monday, March 4, 1946, with Rev. George Duda reading the double ring ceremony and Nuptial Mass.

The bride was gownned in white satin, fashioned with moulded bodice and long fitted sleeves. Her fingertip veil of illusion was attached to a tiara of orange blossoms. She carried a bouquet of pink rosebuds showered with white satin streamers. Mr. and Mrs. J. J. Parma were witnesses.

With Mrs. Frank Hanel at the organ, Mesdames Pete Mikula, Frank Michalka, and Leo Laake sang several selections, including "Ave Maria."

After a short wedding trip to Houston and other points of interest, Mr. and Mrs. Kristoff will make their home in Austin, where Mr. Kristoff holds a position. He recently received his honorable discharge from military service, having served in the Pacific Theatre of Operations.

Christian Science Services

"Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, March 10.

The Golden Text is: "The steps of a good man are ordered by the Lord: and he delighteth in his way" (Psalms 37:23).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Know ye that the Lord he is God: it is he that hath made us, and not ourselves; we are his people, and the sheep of his pasture" (Psalms 100:3).

The Lesson-Sermon also includes the following passage from the Christian Science textbook: "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Man reflects infinite Truth, Live, and Love. The nature of man, thus understood, includes all that is implied by the terms 'image' and 'likeness' as used in all Scripture" (page 94).

Harold Jackson, recently discharged from service, arrived with his wife Saturday night from San Francisco, to visit with his mother, Mrs. F. E. Jackson, Sr. Harold has been in service more than three years, and has visited his mother several times during that time. Mrs. Jackson also had as week end visitors her son, F. E. Jackson, wife and baby Marie, who have been in the Valley for several months where he was looking after business.

Mr. and Mrs. W. C. (Nig) Moody are the proud parents of a baby boy born March 2, 1946, at Newton Memorial Hospital. The baby weighed 9 pounds and 6 ounces and has been named Carl Rayford. Both parents have been District Clerk here.

Mr. and Mrs. Syd Stidham of Houston, were house guests of his mother, Mrs. India Stidham for the week end.

ANNOUNCEMENT

Mr. and Mrs. Wright Price, Jr., are the happy parents of a 7 1-2 pound daughter born at 12:30 a. m. March 6, 1946, at Newton Memorial Hospital. She has been named Linda Dianne. Her mother is the former Verna B. Fuller, daughter of Mr. and Mrs. S. R. Fuller of Houston.

Billie Black, son of Sheriff and Mrs. Carl Black is spending a few days at home before entering aviation school at Grand Prairie. He has been a student in Rice Institute in Houston since last November, where he is rated among the highest, with an average of "A" in all subjects.

Mrs. Randolph A. Smith of Fort Worth is a patient in the Newton Memorial Hospital and her friends here and in Fort Worth will be glad to know she is doing well.

Lemon Juice Recipe Checks Rheumatic Pain Quickly

If you suffer from rheumatic, arthritis or neuritis pain, try this simple inexpensive home recipe that thousands are using. Get a package of Ru-Ex Compound, a 2 weeks' supply today. Mix the juice of 4 lemons. It's easy, pleasant and no trouble at all. You need only 3 tablespoonsful two times a day. Often within 48 hours — sometimes overnight — splendid results are obtained. If the pains do not quickly leave and if you do not feel better, Ru-Ex will cost you nothing to try as it is sold by your druggist under an absolute money-back guarantee. Ru-Ex Compound is for sale and recommended by

CENTENNIAL PLANS IN CAMERON ARE COMPLETE

Centennial Plans for Cameron are complete.

At a meeting of the full committee Monday night in the court house with a number of visitors present, including representatives of the State University, the program was approved.

The celebration will last for three days beginning Thursday May 23 and lasting through Saturday May 25.

The opening day will feature an address by Governor Stevenson if the date can be arranged.

Central Texas greatest rodio is in the making, a three day colorful frontier event with Mack Akers and John Summer Batte in charge. The sum of \$5,000 will be deposited for prize money.

Garland Adair of Austin was in Cameron to attend the meeting Monday night. The University of Texas will co-operate in staging the event here

C. F. Angell Honored On 79th Birthday

The home of Mr. and Mrs. C. F. Angell of Splawn was the scene of a surprise birthday dinner on Feb. 28, 1946, at 6:00 p. m. Mr. Angell was honored on his 79th birthday by his children, who prepared and brought the dinner.

With the exception of Mr. and Mrs. B. F. Angell and family of Texas City all their children were present. Those who came for the happy occasion were: Mr. and Mrs. L. C. Angell and son, Bennie of Belmena; Mr. and Mrs. G. A. Rankin and daughter of Gatesville, Mr. and Mrs. Albert Schlemmer and family of Belmena.

The dinner was prepared by the children and brought to the home just before time for dinner, which was a complete surprise to Mr. Angell. Mrs. L. C. Angell and Mrs. G. A. Rankin baked and decorated the birthday cake. 79 blue candles burned brightly from a white cake which was covered with ping icing. After a delightful dinner games of 42 was played.

Power Failure in 5 Texas Towns Leads to Probe of Tampering

AUSTIN—State and local officers today investigated circumstances of power failure to five Texas towns served by the lower Colorado river authority after LCRA officials reported that tampering with transformers was responsible.

Transmission lines and transformer stations in Gillespie county were patrolled during the night after service was restored.

Transformers from high lines in the towns of Fredericksburg, Luling, La Grange, Giddings and Burnet were out, said Max Starcke, general manager of the LCRA, after oil had been drained from them. Service was restored to all before dark yesterday. The towns have a combined population of 15,000.

In some instances, Starcke reported at an extraordinary session of the state-created power agencies board of directors, the transformers burned out, but in others the trouble was caused before permanent damage was done.

"If all the attempts to tamper with the transformers had been fully successful, the cities would have been shut off from power for weeks," he said.

Mrs. R. P. Gregory of Wichita Falls is visiting in the home of her parents, Mr. and Mrs. C. M. Mullinax. Mr. Mullinax has been ill for some time, but is improving.

Mr. and Mrs. Earl Davis and children, Patricia and Bobbie of Harlingen were week end guests in the home of her sister, Mrs. Jesse Brock.

Kitchen Planning . . . !

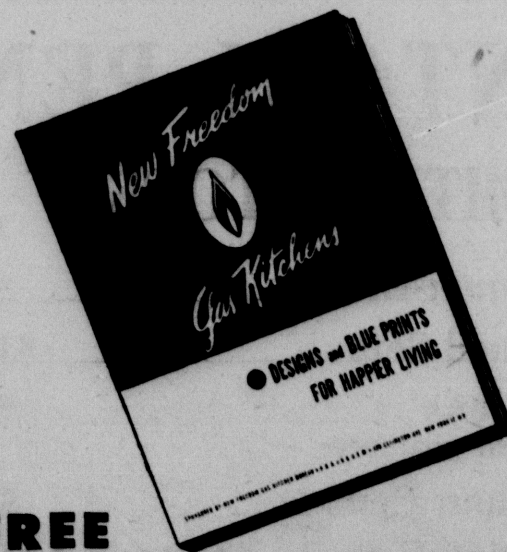

Everyone seems to be planning for easier cooking! New Freedom Gas Kitchens Point the Way!

Gas is far and away the most popular kitchen fuel. Its speed, flexibility and economy are enjoyed in practically every urban home here in the Southwest. Truly, it is America's sought-after fuel. So it is little wonder that kitchen modernization plans are centered around the new automatic gas ranges and silent gas refrigerators. Around them, leading home economists, architects and designers have designed the ultra-modern New Freedom Gas Kitchen. For easier, better cooking in a beautiful, comfortable kitchen specify in your building or remodeling plans: "A New Freedom Gas Kitchen."

SPEED—There is nothing to equal the speed of automatic gas cooking. For instance, pre-heating time on an automatic gas oven: in exactly eleven minutes it will go from room temperature to 500 degrees. You have instant heat with the clean, blue gas flame!

CONTROLLABILITY—On no other cooking appliance can cooking heats be so accurately controlled as they are on ultra-modern, automatic gas ranges. From simmering warmth to fast boiling there are any number of shades of heat.

QUALITY COOKING—There is nothing like the clear blue flame of gas for bringing out all the flavor of broiled foods and at the same time conserving vitamins and minerals.

FREE PLANNING BOOKLET

You'll need this booklet for help in working out your remodeling or new home building plans for it contains floor plans and color schemes for ten New Freedom Gas Kitchen Designs. It also contains brief suggestions for working out good kitchen designs. Ask for it at your nearest Lone Star District offices. It is free to home planners.

HOW RAILROAD DOLLARS HELP YOUR COMMUNITY

Aside from their main purpose of providing essential transportation for travelers and shippers, American railroads contribute in other important ways to the upbuilding of the communities they serve. Of the money they receive for their services only a

very small amount actually stays with the railroads. By far the largest part finds its way back to the people — to the average citizen — to YOU.

Let's see, then, just how the railroad dollar is spent.

41% FOR WAGES

With this money 1,400,000 railroad employees buy homes, furniture, food, clothing, education and insurance—and so keep local business prosperous.

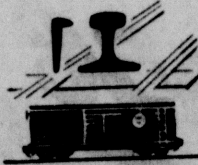

16% FOR TAXES

Railroad taxes are spent for the general support and services of the government — national defense, public safety, schools, hospitals. Although part of this money goes to provide and maintain highways, waterways and airways, none of it goes to the railroads to buy or maintain any of its equipment or help carry on its business.

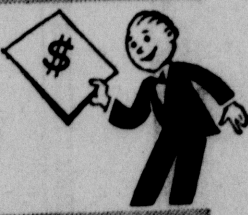

32% FOR MATERIALS

Over two-thirds of this was spent on railroad supplies furnished by a broad cross-section of industry. This money means better business and more jobs in almost every county in the country.

3% FOR DIVIDENDS

This 3 cents is divided up among the million or so individual citizens who, through investment of their savings in railroad stocks help provide the "tools" for railroad employees.

6% FOR INTEREST, RENTS, ETC.

The greater part of this goes to the millions of men and women who have loaned us money and so have invested in the railroads through their life insurance policies, savings bank deposits and the like.

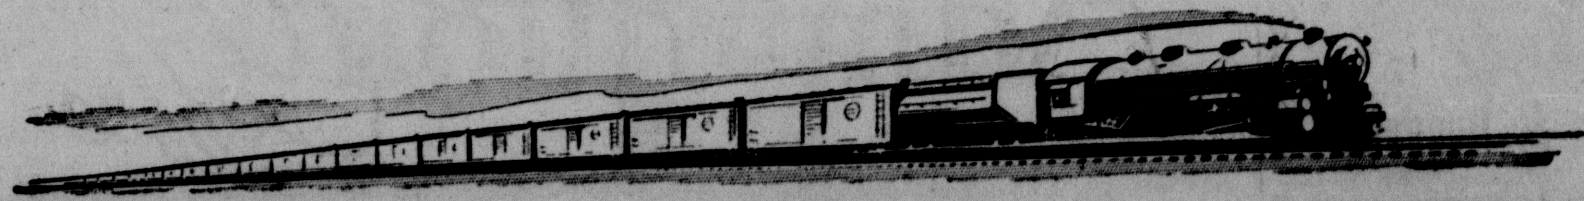

2% WORKS FOR THE FUTURE

This last 2 cents of the railroad dollar is invested in the research which is making possible better equipment—better service—more jobs to help provide for us all constantly improved rail transportation.

S-P The Friendly Southern Pacific

SOUTHERN PACIFIC, as an important part of the system of American railroads, is contributing materially in these various ways to the prosperity and progress of the thousands of communities, which it serves.

SENIOR CLASS PLAY SCHEDULED MARCH 8

The Senior Class of 1946 is presenting a farce-comedy in three acts by Jay Tobias called "Here Comes Charlie." It will be given in the Yoe High auditorium on March 8 at 7:45 p.m.

The cast is composed of 10 students, some of whom were members of the Junior play cast of last year which was enjoyed so much.

The president of the class of 1946, Ed Flinn, portrays Larry Elliott, a handsome young business man with more women on his hands than he can handle. Lynn Skelton plays Mrs. Fanny Farnham, Larry's aunt, who is mistress of the house.

Two Irish sweethearts are officer Tim McGill and the maid, Nora Malone, who are very well interpreted by Gillis Graham and Almarie Brady.

Richard Williams does a good job playing the part of Ted Hartley, a frank but swell friend of Larry's.

Charlie Hopps, the girl from the Ozarks who causes so much disturbance and who will surprise you at the end of the play is Marion Brewer. Uncle Aleck Twiggs, played by Richard Johns, accompanies Charlie from the Ozarks and adds to the general confusion. The Smythe-Kersey family, the socialites who can't seem to understand Charlie, are very aptly played by Amy Schlemmer as Caroline Smythe-Kersey; Jimmy Marek as "bored" Mortimer and Olivia Lehman as Vivian, Larry's fiancée.

Don't miss this pleasant entertainment. It will be an event that you will remember.

—Marion Brewer.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. A. L. Jistel of Cameron have announced the engagement and approaching marriage of their daughter, Dorothy, of San Antonio, to Ervin E. Kleiber, son of Mr. and Mrs. Ed A. Kleiber of Schulenberg. Mr. Kleiber was recently discharged from the Armed forces.

Mrs. John Seidl of Burlington who has been in Cameron Hospital seriously ill from a rattlesnake bite is reported to be improving.

Delphya Scott Receives Life Membership Card In The Eastern Star

Cameron Chapter Order Eastern Star held its regular monthly meeting Tuesday evening, February 26 at 7:30 o'clock at the Masonic Hall with Mrs. Carrie Kuehl as acting worthy matron, in the absence of the worthy matron, Mrs. Nettie Story, and Niley Smith as Worthy Patron.

Miss Ima Holcomb, of Bryan, Deputy Grand Matron, District 4, Section 7, paid an official visit and gave an excellent address on the work of the O. E. S. She was accompanied by Misses Lizzie Patterson and Lalla Dean Tanner, of Bryan Chapter. Another visitor was Mrs. Estelle LeSassier, of Marlin.

Miss Delphya Scott presided at the guest book, and later on she was presented with a Life Membership Certificate, from the Cameron Chapter, O. E. S., No. 553. This came as a complete surprise to Miss Scott.

On March 8, Mrs. Lallah Mae Vollus, of Houston, Grand Worthy Matron of State of Texas, for the O.E.S. will pay an official visit to Cameron, and at this time there will be four other chapters in the District who will meet here for an official visit; Rockdale, Calvert, Franklin and Hearne chapters will be present which include their official visit from the State Worthy Matron of Texas, Mrs. Vollus. The meeting will be called Friday evening at 7:30 o'clock, at the Masonic Hall. A large number of members from all of the chapters are expected to be present.

Mrs. Webb Todd attended the funeral of Joe Foster at Calvert Wednesday, February 27th. Mr. Foster died in a Marlin hospital on Tuesday. He was a former resident of Branchville. Mrs. Foster is a cousin of Mrs. Todd, and was the former Gertrude Freeman of Maysfield. She is a sister of William and Clarence Freeman of Maysfield.

Kathryn Hefley of Houston spent the week end in the home of Mrs. Henry Hefley.

Louis D. Kubecka of Austin spent Friday night with his parents, Mr. and Mrs. V. A. Kubecka.

Personal Mention

Mr. and Mrs. Cecil Tindall of San Antonio spent Friday with his parents, Mr. and Mrs. H. C. Tindall, and were accompanied home by his mother, Mrs. H. C. Tindall, his brother and wife, Lt. and Mrs. Odious Tindall, and Mrs. Vernon Eanes, who spent Saturday and Saturday night there. Lt. Tindall left Saturday by plane for New York where he will remain until he is transferred to Panama. His wife will remain in Cameron for the present.

We don't experiment with your radio—we repair it—you pay less for your service. Any make radio. Parma Radio Service.

George Tepera is leaving Wednesday for Houston to join the Merchant Marines.

Mrs. Willard Chapman of Tracy was a visitor in Cameron recently.

T. C. Whites of Temple was in Cameron Tuesday on business and to visit with relatives. He was a pioneer here in the service station business.

Mrs. Rip Woods of Hanover shopped in Cameron Thursday.

Mrs. Roy Hightower just returned from San Angelo where she visited with her brother John Delahunty.

Mr. and Mrs. E. L. Meyers of Houston will spend the week end visiting with Lalla Meyers.

Mrs. Ruby Massey spent last Friday in the home of Mrs. M. W. Price. Mrs. Massey is Southern Pacific agent at Dime Box.

Peggy Yager of Cameron and Joyce Wise of Milano are two Milam county students included in the honor roll at the Southwest Texas State Teachers College for the fall semester just completed. The Registrar has announced. Twenty-three per cent of the student body were included in the honor roll which consists of students averaging "B" or above and having no failing marks.

Regular Army men and other members of the Armed Forces will receive free mailing privileges until Dec. 31, 1947, under current government policy.

Mrs. Emory B. Camp has returned to her home from Newton Memorial Hospital.

Mr. and Mrs. A. L. Asp of Lampasas visited Mr. and Mrs. L. L. Walton over the week end.

Friends of Mrs. J. E. (Pete) Harwell will be glad to know she is doing nicely following surgery in the Newton Memorial Hospital. Mrs. Harwell is the wife of Pete Harwell, former constable here.

T. A. Eggleston has returned to his home in California after visiting in Milano.

Mr. and Mrs. L. M. Westbrook of Milano transacted business in Cameron Monday.

Clint Lewis, special officer for the Santa Fe Railroad and now living in Fort Worth, visited his wife in Cameron Thursday. Mrs. Lewis is a patient in Newton Memorial Hospital here. Mr. Lewis is the son of the late Clint Lewis, long time sheriff of Burleson county. Clint, Jr., succeeded his father and served for a number of years as sheriff.

Rex Bartlett of Minerva who became ill recently is now in Newton Memorial Hospital in Cameron and is doing nicely and his many friends will be glad to hear of his good progress.

Friends here and in Milano will be glad to know that Mrs. Alvin Nelson who is a patient in Newton Memorial Hospital is recovering nicely. She was brought to the hospital last week for treatment.

Mrs. V. P. Woolley, widow of the late Virgie P. Woolley and the mother of Mrs. Arthur Longmire, is doing nicely at Newton Memorial Hospital where she was taken last week for treatment.

Mrs. T. S. Donaldson of Ad Hall visited in Cameron Monday.

MAKES OLD FURNITURE
LOOKS LIKE *NEW!*

It's Easy WITH C-Z FURNITURE POLISH

Lt. Leroy John Kubecka, who spent three years in the Pacific Theatre of operations recently returned to his home where he spent two weeks. Lt. Kubecka served as Captain of L. L. T. 628. He is now in New Orleans, La., for a new assignment. Lt. Kubecka is the son of Mr. and Mrs. V. A. Kubecka of Cameron.

I. W. Luce of Douglas, Arizona is spending several days with his mother, Mrs. Delta Luce of Cameron. Mr. Luce recently received his honorable discharged from the service where he served as a Sergeant.

We repair any make or model radio. Parma Radio Service.

Mrs. Dan Lunsford and girls, Billie May, Norma Gee, and Flossie Pearl spent a pleasant day last Sunday at Buchanan Dam and Longhorn Cavern. They also visited at Inks Dam.

Grady Goodwin of Crosby, Texas, transacted business in Cameron last week. Mr. Goodwin is with the Bay Shore Bus lines.

E. P. Hollas of Burlington transacted business in Cameron Thursday.

Mrs. Leo Hawkons, Mrs. Elwood Bryant, Mrs. C. W. Bryant, and Nelda Fae Bryant, shopped in Temple Friday.

CARTER BROGDON HOME FROM DUTY IN PACIFIC

Carter Brogdon has arrived at his home in Cameron from 17 months duty in the South Pacific with the Air Transport Command.

Mr. Brogdon saw the war from an unusual vantage point in one of the vital services moving up supplies and personnel to the battle lines.

He was a maintenance mechanic and was with the Consairway Division of Consolidated Vultee Aircraft Corporation. He first began his work in December 1941 in San Diego, Calif. In December 1943 he reported for duty at Hamilton Field and remained there until October 1944 and then went overseas.

The flight across was in a LB30 which is a version of the B-24 Liberator. They took off from Hamilton Field inland off Pearl Harbor where the Japs struck their sneak blow at the fleet on December 7, 1941. They refueled and took off for Canton south of Hawaii and from there landed at Carney, Guadalcanal. His first permanent station was at Nadzab in New Guinea and from there they went to Biak which is in the Dutch East Indies. He remained there for 10 months. They had a few Jap air raids.

They serviced planes which carried the highest priorities in personnel and supplies. While there he got a leave and visited Brisbane, Australia. "The people of Australia are more like the Americans than any I saw," said Brogdon. "They like us and we like them. When I got back from Brisbane I was soon to move on to Guam where Admiral Nimitz had established his headquarters. After our work was finished we came back to Hawaii and left there on January 23, 1946 and came to Cameron."

Brogdon will go to school, the Spartan School of Aeronautics at Tulsa, Oklahoma. He plans to go with a commercial air line as a flight engineer.

The surface temperature of the sun is approximately 6,000 degrees Fahrenheit.

Dari Ann says

What could be more welcome than a cup of "different" hot chocolate and cookies for that "midnight snack?" My hot chocolate IS really different. First—because it's made with DARICRAFT—that evaporated milk with the distinctly delicious flavor—and second, because I use coffee in the recipe. This is the way the Russians used to make it, I'm told.

Russian Hot Chocolate
1 ounce (square) chocolate
1 cup strong black coffee (left from dinner)
4 tablespoons sugar
1/2 teaspoon salt
1 1/2 cups DARICRAFT evaporated milk diluted with 1 1/2 cups water

Melt chocolate in the coffee over low heat until entirely dissolved. Add sugar and salt, and boil 5 minutes, stirring often. Add 3 cups diluted DARICRAFT slowly, stirring constantly. Whip with Dover egg beater until frothy. Pour into cups and top with generous spoonfuls of whipped DARICRAFT and 1 long cinnamon stick in each cup.

Whipped Daricraft
There are two ways to prepare DARICRAFT evaporated milk for whipping—but they both mean "thoroughly chill." Place can as close as possible to ice chamber of your refrigerator or on the ice for at least 12 hours before whipping; or pour desired amount of DARICRAFT evaporated milk into freezing tray 3 or 4 hours before whipping.

Have bowl and beater cold, also. A dash of lemon juice gives greater and more lasting stiffness. 1/4 cup DARICRAFT evaporated milk will yield 1 cup when whipped. Get some at your grocers today. I always keep a can of it "chilling" for instant whipping. You will, too, after you've used it. Also remember—DARICRAFT evaporated milk contains only about 1/5th of the fat (calories) found in whipping cream.

Rain and Frost Are Promised As Norther Heads Into Texas

Violent thunder storms tonight colder Tuesday, much colder Tuesday night, and probably frost by Wednesday morning, was forecast by the federal weather bureau at Blackland Army Air Field Monday morning at March strated changing from its entrance role of a lamb. The bureau didn't think to would freeze, but said it would get pretty close to freezing.

Orchard experts said unless the mercury gets at least to freezing peach trees, which have been blossoming in the springlike weather, will be safe, in view of the fact that rain will accompany the cold weather. A light frost was not expected to do much harm.

Beginning this afternoon in the Panhandle and south plains section, colder weather is moving into the state from the north and northwest.

Indian Paint Pigment Found On Road Side Near Old Camp Site

An Indian paint pigment, largest yet found in Milam county, was picked up Sunday along highway 77 east of the city where recent excavation cut into an old Indian camp site.

This pigment is of soft, red clay, a rare deposit. It will weigh slightly more than a pound and appears to have never been used but from a stock on hand in the camp.

This species of clay is very rare. It is very soft and pulverizes easily. When mixed with fats it makes an excellent paint and was used by the Indians just before they went into battle or made plans to executive war campaigns.

CENTENNIAL PROGRAM DRAFT IS COMPLETED

The Centennial program has been tentatively completed here, it was disclosed Friday afternoon by A. W. McCullin who is working as co-chairman with Oxsheer Smith in the overall direction of the celebration plans.

The draft of the program will be read at the full meeting of the committee on Monday night in the court house.

Committees have been set up to be responsible for every detail of the program, and these will be published as soon as released.

L. Van Perkins, manager of the Chamber of Commerce, was named by Mr. Smith as chairman of the Central Committee which is working out the details.

The celebration will be for three days May 23, 24, and 25.

O. B. Horstmann, Albert Collins and H. B. McClellan were named on the finance committee and must raise \$5000 before the work can begin on the celebration plans.

Mrs. Jesse Moses is a surgery patient in Newton Memorial Hospital in Cameron and is doing well. Mrs. Moses resides on Route 2 out of Rockdale and her many friends will be glad to know she is recovering nicely.

Martha Braz and Lane Stecher visited in Cameron Monday.

Swindling Charges Filed Against Man On Coat Orders Here

Charges of swindling have been filed here against D. Callahan of Austin, it was said early Saturday by Sheriff Carl Black who sent deputies after him.

According to the sheriff, the charge grew out of many complaints registered here that Callahan had taken orders for coats but had not delivered them.

In some cases the Austin man had returned the money but in other cases he had not returned the funds collected as down payment and full payment on the garments. Austin officers said that complaints had come in from other sections against Callahan.

The word "planet," which means "wanderer" was given to the earth by the Greeks to distinguish our globe from other astral bodies which they viewed as "fixed stars."

THE CAMERON HERALD—11

PROGRAM ROUND UP OF CENTENNIAL DUE HERE

First draft of the Centennial program for Cameron, will be read at a meeting of the full committee in District court room tonight.

The draft was completed Saturday in consultation with Oxsheer Smith, general chairman and A. W. McCullin, co-chairman with L. Van Perkins, chairman of the central committee.

The celebration will require three days and those dates will be Thursday, Friday and Saturday, May 23, 24 and 25.

The program is subject to changes. Invitations have gone out for speakers. The work of the finance committee will be important enough to

hold up all operations until the money is assured. A preliminary budget of \$5000 has been set up.

Pfc. Wendell Cryer to Brooks Gen. Hospital

Pfc. Wendell Cryer, son of Mr. and Mrs. J. A. Cryer of Cameron, has been transferred from McCloskey General Hospital to Brooks General Hospital.

Pfc. Cryer served with the Army Air Force for many months in the China-Burma theatre of operations. He has been ill since returning to the states and has been confined to the hospital most of the time.

In the struggle for existence, most animals and insects possess natural physical equipment that is superior to man's in every way. Man's advantage is his power of reason

IT'S HERE
Your DEKALB HYBRID SEED for 1946 planting . . .
Record high average yields of DeKalb Hybrid Corn last year certainly prove that DeKalb is the corn for the South . . . the corn that stands, helps resist insect and disease damage, and "makes" before hot winds come. Your dealer (listed below) now has proved DeKalb varieties on hand to fit your farm. This seed is of highest quality and uniformly graded. Each bag is dust treated to help prevent disease. Get your DeKalb seed NOW.

What every woman should know . . is the amazing ECONOMY of MARVENE SUDS!
YOUR PACKAGE "LOOKS" BIG BUT— I'VE GOT MORE CLEANSING POWER IN MARVENE SUDS! IT'S THE BEST BUY FOR MY MONEY!
I'LL KNOW BETTER NEXT TIME BESIDES I'M GETTING PLENTY TIRED OF SOAP FILM THAT DULLS MY DISHES AND HARSHENS MY WOOLENS
That's right, lady — don't buy on size alone. Remember — there's highly concentrated *cleansing power* in every spoonful of MARVENE SUDS in that tightly packed two-pound bag! It's seven times sudsier than soap in hardest water. Never leaves soapy film to dull and streak your dishes — no hardwater scum to harshen woollens, silks, rayons — or color-fade fine fabrics. And the beauty of it all is that MARVENE SUDS is so economical — saves you money as well as time and hard work. Get it from your grocer!
MARVENE SUDS..More Economical..More Effective Than Soap..For Many Uses!
Lovely "flimies" stay color-fresh, new looking and glamorous.
Dishes dry sparkling clean without wiping — free of soapy film and streaks.
Kinder to your hands than any soap — marvelous for baths.
7 Times Sudsier than Soap
KEEPS THE DIRT AWAY! also SOFTENS HARD WATER!

Don't Gamble with your Harvest.

Federal Crop Insurance Guarantees You A Crop Return

INSURE YOUR Your Cotton Crop NOW

APPLICATION FOR
COTTON
INSURANCE
MUST BE MADE BEFORE

March 26

**Federal
Crop
Insurance**

Or before the crop is
planted, whichever is
earlier.

Make your application now
at the AAA office or con-
tact your local commit-
tee.

Farmers, like other business men, must take risks. Some risks can't be avoided. But there is no longer any need to gamble on the weather and other natural hazards which may damage or take your corn and cotton crop.

Insurance against natural hazards is

now available for the business of farming. All risk Federal Crop Insurance at non-profit rates will guarantee you a return from your crop.

Federal Crop Insurance is backed by Uncle Sam, who pays the operating expenses. Every penny of premium is set aside to pay crop losses.

Be Sure -- INSURE

You don't have to gamble and worry any longer about what floods — hail — fire — winterkill — grasshoppers — weevils — drought — rust — storms — or any other tricks of nature do to your crop. Why risk a year's investment and labor in a crop? Be sure — Insure with Federal Crop Insurance.

**It's Better to Have Insurance and Not Need It Than to
Need It and Not Have It**

WHAT IT DOES

Protects you against crop damage from all natural causes. The contract covers up to a specified per cent of your normal yield (or your investment). When the crop fails to produce the coverage, you collect enough to bring your crop return up to the guaranteed production.

WHAT IT COSTS

Premiums are based on records showing the losses in past years of growing the insured crop in this county. Operating expenses are not included in the premium rates. This keeps the rates at a non-profit level.

HOW TO GET IT

Federal Crop Insurance can be obtained from designated agents and county AAA offices. Application must be signed before the crop is planted or before the specified closing date, whichever is earlier.
